2. Sweet is the day of sacred rest
No mortal cares disturb my breast
O may my heart in tune be found
Like David's harp of solemn sound.

3. And I shall share a glorious part
When grace has well refined my heart
And fresh supplies of joy are shed
Like holy oil, to cheer my head.

4. Then shall I see and hear and know
All I desired or wished below
And every power find sweet employ
In that eternal world of joy.
